

WELCOME TO PACS

The Parent Association of The Craig School | 2026-2027

PACS is an all-volunteer, parent-run organization committed to enhancing our children's educational experience and strengthening the sense of community that makes Craig so special. We work collaboratively with faculty and administration to connect families, support our students and teachers, and create opportunities for our community to come together throughout the school year.

EVERY CRAIG FAMILY IS INVITED - AND ENCOURAGED - TO JOIN PACS

Your \$100 annual family membership directly supports the programs, traditions and community events PACS provides throughout the year. Rather than asking families to participate in fundraising campaigns throughout the school year, PACS is supported through annual membership dues and the generosity and involvement of our Craig families. Strong membership allows us to focus our energy on creating experiences for our students and supporting our faculty and school community.

WHAT PACS DOES THROUGHOUT THE YEAR

- **Welcome & Connect Families:** Help welcome new families to Craig, keep parents connected to the school community, and share information about PACS events, activities and opportunities to get involved.
- **Create Community Traditions:** Plan and support events that bring students and families together, including Halloween Trunk or Treat, GrandFriends' Day, Winter Wonderland, Read Across America Student Breakfast, spirit days and seasonal activities.
- **Support Our Faculty & Staff:** Host faculty breakfasts and lunches, coordinate Teacher Appreciation activities, and find meaningful ways throughout the year to recognize the teachers and staff who support our children every day.
- **Celebrate Our Students:** Add special touches to student celebrations, school traditions, milestone events and graduation activities that help make the Craig experience memorable.
- **Bring Parents Into the Community:** Coordinate volunteers, grade parents and parent participation so families have meaningful ways to contribute their time and talents to the school.

ONE GIFT. EVERY TEACHER AND STAFF MEMBER REMEMBERED.

Craig students are supported by many people throughout their day - often 7 to 10 teachers, along with specialists and other staff. PACS makes holiday gifting easier for families by combining the Holiday Gift Fund and distributing monetary gifts to all Craig faculty and staff as a thank-you from our families. Participation is optional, and any amount is appreciated.

\$100 MEMBERSHIP. ONE SCHOOL YEAR. A LOT OF CRAIG COMMUNITY.

Our entire mission is accomplished solely through parent membership dues and community involvement. **New this year membership can be paid for on-line.** [Click here](#) to go to the website. If you prefer, membership can still be paid for with a check. We are hoping that we can count on you.

We look forward to another year of connection, celebration and community at Craig!

Warmly,

PACS Team
