

# Craig School, How do I give to thee?

## Let me count the ways!

### Tips on how to support our school – **WITHOUT writing a check!**

The Craig School participates in the Amazon Smile program. If you access Amazon.com through the link on the Craig School's HOME page, then you will be making a donation to PACS with no additional cost to you. Go to [www.craigschool.org](http://www.craigschool.org) and click on the Amazon logo at the bottom of the home page and you will be taken directly to Amazon Smile. If you have not previously chosen The Craig School as your charity, it will give you the opportunity to do it then. After that, your selection is saved. It's an easy way to help raise funds for PACS! Bookmark this Amazon Smile link for even easier access.

Anyone can use it – so tell all your friends, family, co-workers, or anyone who shops on Amazon.com! And, just to let you know – your shopping privacy is guarded. PACS never gets a report of who bought what!

Every time you shop online, earn a contribution for The Craig School. Hundreds of online merchants can be accessed through iGive.com and when you shop through iGive, the merchants will return a percentage of your purchase to PACS.

First, log on to iGive.com and register (it literally takes seconds and you only have to do this once!). Then, designate The Craig School as the charity of your choice – finally ... start shopping! The website also offers a toolbar that will automatically direct your shopping through iGive each time you log onto a retailer.

And don't forget to send in your Boxtops. There is a container in the lobby at the Lower School and the High School for your child to drop them off. Each Boxtop returns ten cents to the school -- think about how fast those dimes will tally up!
