## 2019 Teacher Feature

How lucky are we?! Our teachers work so hard all week to help our students achieve their goals. And each spring as part of The Craig School Auction, teachers donate their time to provide a wonderful experience for students outside the classroom. With support from PACS for expenses, *all* proceeds from these trips benefit our school. It's called Teacher Feature and here's how it works...

Fill out the attached form (found on the last page) stating which activity or activities your child wants to participate in and send in a check for the total amount, made out to The Craig School. Teacher Feature operates on *a first come first serve basis*. If we have too many buyers for the space available, we will check with you to see if your child would like a different outing and if not, your check will be returned.

The fun begins with our first feature on March 22<sup>nd</sup> – so don't delay. Remember – this is a fundraiser! Please have your responses in by **FRIDAY, MARCH 15<sup>th</sup>**. Contact Amanda Jahn [amandajahn77@gmail.com](mailto:amandajahn77@gmail.com), Susan Gross [susanhgross@aol.com](mailto:susanhgross@aol.com) or Lori Marano [lorimarano1@gmail.com](mailto:lorimarano1@gmail.com) with questions.
