

Badger X-Country 2020

Boy's and Girl's Grades 5th, 6th, 7th, and 8th

Welcome to our 1st season of Cross-Country here at The Craig School! We are very excited to begin a new chapter in our long history of pride in Badger Athletics.

The format for Cross-Country is the same as with all sports here at The Craig School. Student athletes are required to commit two days a week to our program. For this season, those days will be Tuesdays and Thursdays. Our current plan will have the team train and compete right here on our Mt. Lakes campus. As the season progresses we will add events.

All students must have a current academic year physical on file with the health office in order to participate. They must also maintain satisfactory grades in the classroom in order to be eligible to compete on the team. This also includes homework, as academics must come first.

If you are interested, please fill out the attached forms and return them to school.

Our first practice will be **September 17th** from **3:05pm to 4:30pm**.

Go Badgers!
