**Job Title:** Middle School Math Faculty

**Department:** Lower and Middle School

**Reports to:** Director of Lower and Middle School

**About The Craig School:** Established in 1980 and located in Mountain Lakes and Montville, New Jersey, The Craig School is an independent 2-12 co-ed school whose mission is to serve students with language-based learning disabilities. The Craig School provides students with a strategy-based, comprehensive, and challenging school experience that acknowledges their learning disabilities, and builds on their aptitudes, and strengthens their self-awareness and self-esteem.

**Job Summary:** This full-time position at The Craig School, requires an individual who is passionate about teaching and the mission of serving students with language-based learning disabilities and is highly collaborative and committed to designing and adapting instruction to meet a range of student learning needs and interests. The Craig School relies heavily on multisensory and differentiated instruction. Teachers at The Craig School work with students in small classes of 8:1 and address individual needs through both small-group and individualized instruction. They are skilled in establishing strong relationships with students and creating learning opportunities that motivate and inspire students to develop academically.

**Essential Duties and Responsibilities:**

- Teaching in-person at the school and/or via Zoom in synchronous and asynchronous models as needed.
- Advising students and working with students, parents, and other teachers to fully develop a picture of students' strengths and learning needs
- Creating lesson plans and adapting curriculum to teach math and science (if applicable)
- Regular and consistent communication with students, parents, and colleagues.
- Teach five middle school math courses for students in grades 6 through 8.
- Supervisory duties, professional learning community involvement, or other school-related duties as appropriate.

**Qualification Requirements:**

- Ability to uphold and support The Craig School's mission, values, institutional goals, and educational philosophy to positively influence students served.
- Masters/advanced degree and 2-5 years of classroom experience (preferred), or Bachelor's degree with a strong academic track record and demonstrated career interest in education. Special Education licensure, certification, or degree strongly preferred.
- Strong math/science content knowledge and teaching skills.
- Ability to promote positive student engagement.
- Strong interest in the mission of serving students with dyslexia/language-based learning difference as well as training or classroom experience teaching this population of students
- Experience/comfort level working with middle-school students.
- Training or classroom experience in student-advocacy practices, strengths-based assessment, individualized teaching approaches, differentiated instruction, multisensory learning, organizational skill development, and Orton Gillingham educational approach.

Please submit a resumé and cover letter to Mary Calvano, Executive Assistant to the Head of School, [mcalvano@craigschool.org](mailto:mcalvano@craigschool.org).
